## TERMS GOVERNING THIS SALE

BIDDERS unknown to me will please furnish bank or other references or deposit 25% with their bids, and it is agreed that remittance will be made upon receipt of coins.

Every coin in this sale is guaranteed as genuine. Do not return any coins without first taking it up with this office. There will be no charge for executing your bids but the purchasers will be required to pay the postage on their purchases.

I shall welcome your bids and shall try to purchase the coins as much below your bid as possible. Where a lot has more than one coin in it, PLEASE BID ON SO MUCH PER PIECE UNLESS SOLD BY THE LOT.

If you are interested in any particular coin, I shall be glad to have you write me for full information.

If you are not interested in these sales, won't you advise me so I may discontinue sending you catalogues.

The coins will be on display the day of the sale, up to 12:00 o'clock, at my office, 922 Guardian Building.

## INSTRUCTIONS TO BIDDERS

Do not make ridiculous bids, for example: do not bid \$1.10 on proof dollars or .55 on proof halves. Bids such as these are not entered and are consigned to the waste basket. Be sure and bid on the lot numbers, which you wish to purchase. It is not the cataloguer's fault if you intend to bid on one lot and fill out your bid sheet for another one. You will be asked to purchase according to your bid sheet.

#### **RARE AFRICAN GOLD POUND**

954. **Mahdi Gold Pound.** Struck at Kahrtum in 1302 A. H. 1885 A.D. This is probably the rarest gold coin to come out of Africa, only a few were coined and all disappeared from circulation by 1892. It was purchased by an American Missionary to Omdurman, which is across the river from Khartum, and is closely connected with the death of that great British General known as "Chinese" Gordon, it was coined within sight of the spot where he fell, not over six months after his asassination in 1885. The coin is an imitation of the Egyptian 100 piastre gold coin bearing the date 1255 A.H. Description, Arabic words "Struck in Egypt" on one side and the monogram of the Sultan of Turkey "Abd-El-Mijid" on the reverse. Of Excessive Rarity, only a few known, doubtful if there are two others in U. S. Valued at \$500.00.. Uncirculated. Guaranteed Genuine.
